Parent Council AGM

The Parent Council AGM will be held on Monday 18th of September at 9.30 am. At this meeting the parent council members are appointed. Please come along and volunteer to be part of the parent council so that you can contribute to the many events that the Parent Council organise and support the work of the school for the benefit of your children. A separate letter will be issued by the Parent Council explaining how you can become involved. Agenda items for the meeting on the 18th need to be submitted to the Parent Council by Friday 15th of September.

Open Morning

We will be hosting a Primary 1 to Primary 7 open morning on Wednesday 20th of September from 9.15 – 12.00. At 9.15 we will have a presentation in the Gym hall about an App that parents can use to help communication between home and school. Thereafter parents can visit the classes from 9.30 – 10.30 and 11.00 – 12.00. We hope that as many parents as possible can come and see their children working in their classes.

Parking

We have been contacted by a concerned member of the community regarding the parking around the school. Can you please ensure that you park in a safe manner bearing in mind that there can be up to 400 children leaving the school. We are keen to encourage our pupils to walk to and from school if possible although we do understand that this cannot always happen.
