Dear Parents

Review of School Dining Arrangements

For some time now we have been discussing how we can improve the lunch time experience for all the children, those who stay for school dinners and those who bring a packed lunch.

We have collected ideas for possible improvements from the Pupil Council and staff. We are also keen to collect your views regarding this, please could you email these to riverbank@aberdeencity.gov.uk or drop a note to the school office by Friday 19th of January. All suggestions gratefully received.

Once we have collated all the ideas we will consult with you regarding possible solutions.

Yours sincerely

Susan Ironside
Head Teacher
