World Book Day

Thursday 7th of March is World Book Day. The children will be undertaking a variety of activities in the class to celebrate this – including decorating their classroom door. The children are welcome to dress up as their favourite character from a book on this day – home made costumes very welcome!

New School

As you may be aware Aberdeen City Council are currently consulting on the possibility that St Peter's School would relocate to the current Riverbank School site when we have moved to the new school. They are seeking opinions on this from all members of the public and people who live in the neighbourhood. I do not yet have any information to share with you regarding the new Riverbank School building but once I do I will ensure I share this with you.

Staffing

We are delighted that we will welcome a new member of the teaching staff to school next week. Miss Heather Moreton joins us on Monday 4th of March, she will initially work with the Primary 1 and Primary 2 children but may also be working with our older children too – she will be focussing on improving literacy skills.

Family Learning Courses

We are very fortunate that we have a new member of the Family Learning team supporting Family learning at Riverbank School. Caroline Hay-Crawford will be delivering a variety of one day courses, hopefully you will find something that you are interested in.
