**Riverbank Nursery**

Aberdeen City Council is trialling a variety of approaches to the delivery of nursery hours in preparation for the expansion of a child's entitlement to 1140 hours. This session, Riverbank Nursery will be trialling having eligible 2 year olds in the nursery, We very much welcome this opportunity and you will notice some new staff faces in the nursery (children and staff). We will give you an update of how the trials are going and what the plan will be for Riverbank Nursery next session.

**Birthday cakes / treats**

We have an increasing number of children who have food allergies and intolerances, in light of this, we will no longer distribute cakes, sweets or any food items the children bring as part of celebrations (or for any other reason). We appreciate that this is disappointing, but we are sure you understand that for those who have allergies etc the consequences could be quite serious. We thank you for your support with this.

**School Holiday**

Aberdeen City Council are currently consulting with staff, parents and children regarding the future holiday pattern.

**Photographer**

All the children from nursery to P7 will have the opportunity to have an individual photograph taken in November. Unfortunately there is no capacity for sibling photographs.
