Dear Parents and Carers,

Everyone at Riverbank would like to welcome you and your children to Primary 1 for the school session 2020-21. We hope you and your families are all well and managing to cope with these unusual times.

Normally at this time of year we are welcoming you and your children to come into school and take part in a variety of activities. Unfortunately, things are different this year and we have not been able to achieve this.

Things are not clear regarding our return to school, but we are currently in the process of organising an area in the school website where we can share information with you. This will be titled Primary 1 2020-21 transition.

In the meantime, we would like to gather your opinions on what you would like transition to look like, should we be able to access the school before the end of term. You will receive a short questionnaire where you will be able to express your preferences should circumstances change, and we would be very grateful if you would complete and return this to us.

Please rest assured that we will be in touch as soon as we have any information to share with you regarding the return to school and your child's start in P1 at Riverbank.

We look forward to hearing from you and hopefully meeting with you in the near future.

Yours sincerely,

Maree Innes
