

## Imaginative Writing

L.I I am learning how to write an imaginative story.			
SC I can include a clear beginning, middle and end	SC I can include a problem and resolution to help make my writing exciting	SC I can use descriptive language to describe my setting and characters.	SC I can use speech marks correctly

One day a girl called Rose was walking in the woods with her mum.

Then she looked beside her and saw the leaves moving.

"Mum look!" said Rose.

"What Rose?"

"The leaves are moving."

"It is just the wind."

"No mum, there is no wind, something has to be there!"

"Come on, we came to have a walk."

But her mum does not believe her that there is something there.

"Wow that as close, they almost saw me, I better go now."

Back at the cottage

"I am back home. I can't believe i almost got caught ."

The next day

"I better go to work, I hope I will not get caught ."

Also Rose and her mum go for a walk again

Rose asked her mum, "Can we go further into the woods?"

"Ok, but stay beside me. I wouldn't want you to get lost"

"I will, let's go!"

Suddenly Rose sees something out the corner of her eye. "Look mum, what is that?"

"I don't know, maybe we should stay away"

"Aw come on mum, let's go investigate" and Rose started walking in the direction of the Cottage.

"Wow mum, look. It's a little cottage all alone in the middle of the woods."

"Oh, I wonder who lives here. It certainly doesn't look empty."

Rose walks up quietly and looks through the window.

Rose's mum said "come back Rose. What if someone sees you and thinks you are spying on them?"

"No-one is there mum. It is full of storage chests and a wooden bed. The chests have iron locks on them. There are woollen blankets on the bed so someone stays here. There is food out on the table next to the bed."

Rose goes to the door and tries the handle. "It's not locked mum. Lets go have a closer look"

Back at the mine

The gnome said "That's enough mining for today. Time to go home for my supper"

He packed up his tools and headed back to his cottage.

Back at the cottage

Rose and her mum heard footsteps. Rose said "oh no. What are we going to do?"

"There's no other way out. We will have to hide."

They hid behind a storage cabinet.

The door opened and in walked the gnome. "Someone has been in my house. Who could it be, I wonder. I hope all my treasure is still here."

"Ssh" Mum whispers. "We don't want him to find us. We will have to hide here till he goes to sleep"

Later that night after the gnome had checked all his treasures were safe and still there, he went to his bed to sleep. "Ready?" said mum.

"Yes, lets go, i'm hungry and tired"

"Come on then really quietly, we don't want to wake him up."

Rose and her mum managed to get out of the cottage and headed straight home.

"Whew" said Rose. "what an adventure."

"I know" said mum. "We should write a letter to apologise for snooping in the gnomes house and let him know that his secret cottage will stay a secret and that we won't tell anyone."

"Good idea. We can do it in the morning. I'm too tired mum. I need to go to sleep."

"Lets go to bed then and we can discuss it in the morning. Night Rose."

"Night Mum."

The End
