**Dear Parents**

Last week I advised you all that we were to have 14 classes next session and we also informed you of your child's class for next session. Happily, we have now been allocated an additional member of staff by Aberdeen City Council which means we can now have 15 classes next session. This will mean that we will no longer have composite classes and the number of children in each class will be reduced. Unfortunately, this means that the information we gave you last week about classes and teachers may no longer be correct. Tomorrow some of you will receive a message from the school office with the updated information regarding your child's class and teacher. We appreciate that it is not ideal to be changing things but hope you understand that this is being done for the benefit of all the children. The P1, P2 and P7 classes will not be affected by the changes. All parents of P3, P4, P5 and P6 children will receive a groupcall whether there has been a change to their child's teacher or not.

Below is a list of the new school configuration

### **Return in August 2020**

As you are aware we have been planning for our return in August. We have produced a recovery plan for returning with smaller groups of children. On Tuesday the Deputy First Minister stated that the Scottish Governments plan was that all children return to school in August full time provided that scientific advice still supported this plan.

Therefore, our recovery plan is now our contingency plan. We hope to provide you with more information next week regarding both the recovery plan and the contingency plan. We really appreciate your patience and understanding, and we regret any anxiety this lack of clarity may be causing children and their families.
