Dear Parent or Carer,

After a false start last week today, we finally welcomed children back to Riverbank School and we could not be happier. We were very impressed at the knowledge the children had of how to keep themselves and others safe when it came to Covid-19.

I wish to again thank all the parents for their patience and understanding at our extended closure and you good humoured approach to the some of the 'glitches' we have had. I am sure there will continue to be one or two of these in the coming weeks as we make sure that we keep our school Covid safe.

Playground & Parking

A reminder that the playground is now one way for parents (enter at the back and exit at Dill Road), and that only parents of nursery, P1, P2 and P3 children can enter the playground. The playground will be much busier in future than today and it is important that we make sure all are safe. The children are welcome to enter and leave the playground via either exit but not if accompanied by an adult. Can I also remind you that there should be no cars in the roads between Riverbank and the Lads club as we have children entering and exiting using these.

Below is a reminder of the timings for the different classes in the school. Primary 1 children are mornings only this week.

| Class | Teacher | Room number | Start Time | Finish Time | Entrance / exit door |

Hand sanitiser / gel

The children should not bring their own hand sanitiser / gel to school unless it is medically prescribed. In that case we require you to complete paperwork for the administration of medication which can be requested from the school office.

Parents / adults access to school

As previously mentioned, parents cannot access the school and this includes the school office, unless by prior arrangement. Please contact the office either by phone on 01224483217 or email at riverbank@aberdeencity.gov.uk

Lunch in school – week beginning 17.08.20

This week a limited service is being offered by the school meals service. Children can offer a packed lunch and they can choose either cheese or ham sandwiches. Children can also bring a packed lunch from home.

Next week the school meals service will be offering both hot and cold meals. Children are not permitted to go home for lunch at the moment.

Sickness absence

As before if your child is off sick please phone the school office to alert us of the absence and the reason for this. If your child becomes unwell during the day, we will contact you and ask you to collect them as soon as possible. It is vital that we have up to date contact details for parents and emergency contacts so that we can contact you urgently if required.

We will be following national guidance regarding Covid-19 and isolating and children should not attend school if they have any of the symptoms of Covid-19.

Should you have any queries regarding any of the information in this letter or on any other matter please do not hesitate to contact us.

Yours sincerely

Mrs Ironside
