School Term Dates

Attached is an overview of the school holidays / inset days for session 2020-2021.

Collection of children

A reminder that children in nursery, P1, P2 & P3 need to be collected from school by an adult (over 16). Thank you to everyone for following our one-way system in the playground, (enter via the back gate and exit via the front gate).

Paperwork / Letters sent to and from school

We are attempting to minimise the amount of paper that comes to and from school. We would encourage you to contact staff either by phone (call the office and the teacher will return your call) or by email (there is an updated list of email addresses at the end of this letter). Occasionally we will have to send forms home for you to return to us, when this happens please 'quarantine' the letter for 24 hours before handling it (to protect yourselves) and then we will do the same in school – therefore if your request is of an urgent nature it will not be looked at for at least a day so email or phone call is much more efficient.

Children who become unwell during the school day

If your child becomes unwell during the school day, we will phone you and ask you to collect them. If they present with Covid symptoms (cough, temperature or change to taste or smell) we will have them wait in our isolation room until you collect them. You can collect them from our family room exit door (near the back of the school beside the school kitchen), when you arrive there call the school office and they will advise the staff member to meet you with your child.

If they are unwell with non covid symptoms they will wait in the school library and can be collected from the staff entrance to the school

Marvellous Me

We are introducing a new online tool (Marvellous Me) to share with you your children's achievements in class. You will receive your child's individual username and password emailed to the email address we have on our records.

Flu Vaccinations

You will soon receive information regarding the annual flu vaccinations, please return these to school as soon as you can.

Homework

Due to Covid-19 we are trying to minimise the amount of 'paper being sent home; therefore, children's homework will be done using Google Classroom. This was very successfully used by the majority of children during the lockdown period. Homework will be posted on a Monday for submission by Friday. P1 children's usernames and logins will be shared with parents in the next few weeks.

Photograph permission update

You will soon receive paperwork regarding photograph permission, you will previously have given permission for this but this has to be updated on a 2-yearly basis. If you do not return the permission form your child's photograph will not be used in anyway either in school or on school website / social media.
