Dear Parents

### **Achievement Assemblies / P7 Leavers Assembly**

Last week we advised you that we had an increase in children with vomiting and diarrhoea in school. We continue to monitor this, and Public Health have advised us to ensure that we cancel all non-essential visitors to school and that classes do not go out of school on trips.

In light of this we have made the decision to cancel our 'in person' Achievement Assemblies next week, we are reluctant to do this as we are really keen to have parents in school to celebrate their children's success with them. However, the Health and Safety of all must take priority. The children will have their certificates presented to them by either myself or another member of SMT in their classroom throughout the week.

At the moment we have not yet made a decision regarding the P7 Leavers' Assembly we will review the situation at the middle of next week and let you know if we can go ahead with this in school

Thank you for your support with this.

Yours sincerely

Mrs S Ironside  
Head Teacher
